ACTIVITIES I completed two projects with PwC, a major fleet outsourcing and an analysis of compliance with the Utilities Directive on behalf of a supplier management platform. I was responsible for managing other consultants in these projects.

ROLE	Associate Consultant, Greenville Procurement Partners (2017-present) and Achilles Procurement Services Ltd. (2007-2016) Dublin, Ireland
ACTIVITIES	Achilles (now Greenville) advises a wide range of public and utilities sector authorities on compliance with EU public procurement legislation and strategic contract management. From 2007 to 2009, I was a full-time consultant with the Achilles team based in Dublin. As an associate consultant I have designed and conducted half-day and one-day training courses for procurement professionals on GPP/SPP, frameworks, public-public cooperation, selection and award criteria, and the implications of Brexit for Irish contracting authorities.
ROLE	FIREd-uP Project Officer, London Fire Brigade (2012- 2015) London, UK
ACTIVITIES	London Fire Brigade engaged in a three-year partnership with Ghent, Belgium to identify and procure innovative solutions for frontline fire service vehicles. I led on the market engagement and procurement aspects of the project, which resulted in establishment of two framework agreements following a competitive dialogue process. We then piloted the solutions with LFB. Web: www.fired-up.eu
ROLE	Sustainable Public Procurement Officer, ICLEI – Local Governments for Sustainability, (2010 – 2012) Freiburg-im-Breisgau, Germany
ACTIVITIES	The Sustainable Procurement team at ICLEI works with public authorities across Europe and internationally to implement projects on the environmental and social aspects of procurement. I was responsible for managing the GPP Helpdesk service delivered to the European Commission (DG Environment) and project work related to procurement of innovative construction works and energy-efficient products. In 2011 I co-authored the new edition of the <i>Buying Green Handbook</i> and designed and delivered several related training modules.
ROLE	Legal Researcher and Centres Co-ordinator, Free Legal Advice Centres (FLAC), (2004 – 2005) Dublin, Ireland
ACTIVITIES	FLAC is a legal charity operating citizen advice centres across Ireland as well as publishing research and engaging in public interest litigation. During my employment I dealt with legal queries from the public; co-ordinated volunteers and was responsible for the research, writing and presentation of legal briefs. In January 2005 I prepared FLAC's submission to the Irish Dept. of Justice, Equality and Law Reform's Working Group on Legal Costs.
